Josh VanWagenen

South Jordan, UT 84095
801-499-1318
vanwagenenjosh@gmail.com

Experienced full-stack developer with a strong foundation in object-oriented programming and building scalable, maintainable applications using modern frameworks and technologies. Passionate about solving real-world problems through efficient, clean software design. Proven ability to work across the full software development lifecycle.

Experience

Co-Founder/Lead Developer

Momentum, South Jordan   *March 2024-Present*

- Designed and developed a full-stack CRM web application using Java, Spring Boot, React, and PostgreSQL.
- Implemented secure authentication following HIPAA guidelines, with role-based access control.
- Developed RESTful APIs and used PostgreSQL for data persistence with normalized schema design.

Medical Sales Representative

Total Joint Orthopedics, Salt Lake City   *August 2024 - March 2025*

- Demonstrated proper equipment use by showing clients product setup and operation using advanced knowledge of medical and surgical processes.
- Attended approximately 4 surgeries a day

Director

Elevated Care, West Jordan, UT   *August 2022 - August 2024*

- Managed day-to-day operations, staffing, and compliance
- Maintained relationships with the clients to provide an enjoyable environment

Operations Manager

Weidner, West Jordan, UT   *August 2021 - August 2022*

- Responsible for the logistics of the warehouse, sales flow, and systems.
- Helped automate workflows and processes
- Handled sales orders and customer service inquiries

Education

Bachelor of Science in Computer Science   July 2025
Western Governors University, Salt Lake City, UT
